REAL ESTATE GRANT SIGNING—Dr. Constantine W. Curris (left), president of Murray State University, and Charles R. Brown of Henderson, chairman-elect of the Kentucky State Real Estate Commission, sign the contract making official a three-year \$50,000 grant by the commission to the university for the development of two degree programs in real estate. Standing (left to right) are: Ray Roberts, Murray realtor and a member of the commission's state education committee; Dr. William J. Grasty, chairman of the Department of Accounting and Finance at Murray State; and Nat Sanders of Louisville, director of education for the commission.

MSU Awarded Grant To Develop Degree Programs In Real Estate

Murray State University has been awarded a three-year grant for \$50,000 by the Kentucky State Real Estate Commission for the development of two degree programs in real estate on the campus.

Charles R. Brown of Henderson, chairman-elect of the commission, and Dr. Constantine W. Curris, university president, today signed the contract providing for grant amounts of \$20,000, \$15,000 and \$15,000 for the next three school years.

Dr. William J. Grasty, chairman of the Department of Accounting and Finance, said the grant will be used to develop a four-year B.S. in business with an area in real estate and a two-year A.A. degree in real estate. A minor in real estate is also

available.

Also present for the signing of the contract were: Nat Sanders of Louisville, director of education for the commission; Ray Roberts, Murray realtor and a member of the state education committee; and Dr. John Lindauer, dean of the College of Business and Public Affairs on the campus.

A campus luncheon of commission and university officials and several local realtors followed the signing of the grant contract.

Real estate courses have been offered at Murray State for the past two years. Grasty said the average enrollment in nine sections taught during that period has been 37 or 38 students. Three courses are

being taught this spring and six are scheduled for the fall semester.

Grasty said the real estate curriculum is planned "to provide the academic background necessary for the student to successfully pursue a career in this important and rewarding field."

Complexities inherent in an era of population, environmental and governmental pressures dictate that the future real estate practitioner have a strong combination of practical and theoretical preparation provided by the programs, Grasty noted.

He said professional careers in such areas as land use planning, brokerage, appraising, development, and property management are available to the graduate in real estate.

White Flags Flutter As Phnom Penh Surrenders

By The Associated Press

With white flags flutter and thousands of residents cheering the victors, Phnom Penh surrendered to the Communist-led Khmer Rouge insurgents today after a 3½-month siege. The capitulation ended five years of war that devastated Cambodia, caused uncounted casualties and disrupted the lives of seven million people.

In Paris, a member of Cambodia's revolutionary politburo, Chau Seng, said that in some cases there will be trials in the Cambodian capital, but "we will judge in a humane way. You've seen that there is no blood bath in Phnom Penh."

Seng said the new Phnom Penh government would be neutral and nonaligned, but "vigilant" in its attitude toward the United States.

In Saigon, the military command said fighting tapered off across South Vietnam, with the situation at Xuan Loc, the besieged provincial capital 40 miles northeast of Saigon, "quiet."

White flags and banners of surrender fluttered from every building and shop in downtown Phnom Penh to welcome the black-uniformed Khmer Rouge forces. Rebel troops hugged Cambodian army soldiers and took them aboard their armored personnel carriers for a victory parade along the waterfront.

Government gunboats steamed up and down the Mekong and Tonle Sap rivers on the east side of Phnom Penh, hoisting white flags and banners. "The white flag means cease-fire," an officer said, adding that display of surrender flags had been ordered by the Cambodian military command.

"There are no words to express my joy at the reports that the Khmer Rouge have liberated Phnom Penh," Prince Norodom Sihanouk, nominal leader of the insurgents, was quoted as saying in a telephone interview from Peking.

However, Sihanouk, who was ousted five years ago as Cambodia's chief of state and has since served as titular head of the Khmer Rouge government in exile in Peking, indicated he did not plan to return in the near future.

Tanjug, the official Yugoslav news agency, reported a statement from the prince that while he remains Cambodia's chief of state, 45-year-old Khieu Samphan, his deputy premier and chief commander of the "Armed Force of National Unity in Cambodia," would execute direct power in

the country along with the Khmer Rouge. Sihanouk said he would continue to represent Cambodia abroad and would guarantee "Cambodian policies of non-alignment."

Meanwhile, the commander of the Khmer Rouge forces in the Phnom Penh area, Gen. Hem Ket Dara, established his headquarters in the Information Ministry building in the Cambodian capital.

A Khmer Rouge broadcast invited all "ministers and generals who have not run away" to meet at the Phnom Penh Information Ministry to "help formulate measures to restore order."

The broadcast said Khmer Rouge from throughout the country — previously 80 to 90 per cent controlled by them — were heading for Phnom Penh and a committee was being set up "which will include com-

rades of the united front and comrades of the National Liberation Front."

A Khmer Rouge spokesman, speaking over Radio Phnom Penh, said the Communist-led insurgents took over the Cambodian capital at 9 a.m. Thursday (10 p.m. EDT Wednesday). Another broadcast said several leaders of the regime President Lon Nol left behind, including his brother and chief adviser, Brig. Gen. Lon Non, were meeting with the Khmer Rouge at the Information Ministry building.

A number of others sought refuge in the Hotel Le Phnom, which the International Red Cross declared a security zone for noncombatants. This group included Gen. Sirik Matak, one of the leaders of the coup that overthrew Prince Norodom Sihanouk in 1970 and once Lon Nol's closest associate.

TAKING A CLOSER LOOK—Unidentified youngsters at a recent story hour sponsored by the Calloway County Public Library want a closer look at one of the puppets being replaced by those made by the Murray Senior Citizens group.

Food Prices Predicted To Stay Down, Economic Recovery Expected By Midyear

LEXINGTON, Ky. (AP) — Food prices are going down and should stay down through the summer; mortgage rates are dropping, and the economy should begin to recover by mid-summer.

That's the forecast of University of Ken-

tucky economist Charles Renfro.

Although he acknowledges that economics is not an exact science, Renfro said it is possible to make "pretty accurate" predictions.

He said lower sugar prices are a key factor in causing food prices to drop, even though shoppers may not see an immediate change in their food bills. There is a time lag between when the items are processed and when they reach the grocers' shelves.

Renfro said lower cost of raw sugar will be offset to some extent by higher production and food costs, but that the net effect should be to stabilize food prices.

Consumer pressure will also be a factor in food price stabilization, he said. Con-

sumers appear to be buying more "basic" foods and fewer convenience foods, which he said could influence processed food prices.

Renfro attributed current beef prices to the beef surplus now on the market. The surplus probably will last through August and prices will rise after that and then level out, he said.

Other than meat, foods generally will decrease in price.

As more money becomes available for lending — a situation economists refer to as increased liquidity — mortgage rates will drop — and already have started a downward trend.

However, that bit of good news is balanced by the demand for houses, which may drive house prices up.

Renfro said there is a "pentup desire" for houses, and said as money becomes available and people become more confident of their buying ability, the house market will pick up.

Renfro also predicted that the tax credit approved by Congress could result in higher house prices. Although it applies only to purchase of new houses, Renfro said it could mean that new home sellers will raise their prices, creating a spillover effect in the general housing market.

Since there already is a substantial demand for housing, the tax credit is an unnecessary stimulant, he said, and will be useless as an incentive to construction because its effective dates are so limited.

TVA Announces Rate Adjustment For May Billing

KNOXVILLE, Tenn. (AP) — The Tennessee Valley Authority announced Wednesday an increase of 53 cents per 1,000-kilowatt hours in May residential electric bills.

The 53-cent boost will hike the monthly rate adjustment, which TVA began last August, from \$2.55 per 1,000-kwh to \$3.08. The authority said the increase represents the boost in costs to TVA of coal and purchased power since the variable adjustment was implemented last summer.

Depending on the rate schedule applying locally, TVA said the electric bill for May will range from about \$18 to \$23 for a residence using 1,000-kwh.

The May adjustment was computed, TVA said, from actual costs of fuel burned and power purchases from other utilities for the TVA system in March.

The average cost of coal burned in TVA plants in March was \$15.90 a ton, up from \$8.85 a ton in June 1974, the month that was the base for the first application of the fuel cost adjustment.

A few hours before the rate boost was announced, TVA Chairman Aubrey J. Wagner said TVA rates would continue to rise until coal prices stabilize and begin to fall.

He spoke at a meeting of the Tennessee Valley Public Power Association in Gulf Shores, Ala.

'Cow To Carton Dairy Day To Be Held Here May 1

"Cow To Carton Dairy Day" will be celebrated in Calloway County on Thursday, May 1, according to Treva Mathis, program director of the Paducah office of the Dairy Council of the Mid South.

Third grade students from the Murray City Schools and the Calloway County Schools will be transported by bus to the James Stahl dairy farm between 9 a.m. and 11:30 a.m.

At the farm, the children will see a tank truck, view a milking demonstration, learn of the feeding and production of cows, participate in many nutrition oriented games and enjoy dairy treats.

Juveniles Charged In Break-Ins Here

Murray City Police have reported the arrest of two juveniles charged with burglaries at Parker Popcorn and Murray Hatchery.

The juveniles were charged in the break-ins at the two firms, where entry was gained by breaking out windows in the doors of the buildings.

Also reported to police was one incident of vandalism. Robert Brelsford, 1005 Olive, reported that the windshield of his car was broken out and the outside rear-view mirror dented.

Firemen Called To Fine Arts Building

Murray City Firemen were called to the Fine Arts Building at Murray State University at 11:32 p.m. Wednesday.

Reports said a kiln on the fourth floor of the eight-story structure was being fired, and the wax that is applied to the bottom of ceramic pieces creates smoke. There was no fire, and no damage, just smoke from the kiln, MSU officials said.

University sources said a gallery guard saw the smoke and called authorities. Eighteen men and four units answered the call.

Cloudy and Mild

Cloudy and mild with scattered thundershowers tonight and Friday. Lows tonight in the mid 50s. Highs Friday in the low 70s. Winds southerly 10 to 15 miles per hour tonight. The outlook for Saturday: cloudy with a chance of rain. Precipitation chances are 40 per cent tonight and 40 per cent Friday.

Senior Citizens A Great Help To Calloway Library

"Cooperation between the Murray Senior Citizens and our library is wonderful. Their latest project, making puppets for our programs, is just one example of how we work together," said Margaret Trevathan, Librarian of the Calloway County Public Library.

"Puppets are an important part of our programs for children and the mentally handicapped," she explained.

Twelve to 15 puppets made by the library staff eight years ago are now worn practically beyond use, and the senior

citizens group which meets twice weekly at the Ellis Community Center has agreed to replace them with a number of new hand and finger puppets.

"Our 'Pooh-bear' is completely frazzled, and I've replaced the dragon's mouth once already. We can really use the replacements," said Mrs. Trevathan.

Other forms of cooperation between the two are embodied in the craft demonstrations senior citizens give upon request at the library, the senior citizens band plays upon request, they display arts and crafts in the library exhibit cases and help with various projects.

In return, the library sponsors musicals, book reviews and film showings. "Most popular among the films we show are travelogues, Kentucky heritage films, and wildlife features," said Mrs. Trevathan.

The library also supplies books when various group projects require them, from crafts to gardening. "The senior citizens also created the bicentennial quilt last March, and are issued special invitations to all our special activities," concluded Mrs. Trevathan.

This week is National Library Week, whose theme this year is "Libraries have it!" "Our library does have it, whether a person wants books, films, records, magazines, newspapers, pamphlets or pictures," emphasized Mrs. Margaret.

"The observation of National Library Week this year is very special, as we celebrate a decade of an established library program in Calloway County," a library spokesman commented.

Birthday cake and coffee will be served all day Thursday at the library, and Mrs. Trevathan and the Board of Trustees urge patrons to visit and help the library staff celebrate their doubly special week.

PERSONALS

Applications
Applications are now being taken for the 1975-76 school term at Murray Cooperating Pre-School. Classes are held on Monday, Wednesday, and Friday with three year old group meetings from 9:30 to 11:30 and four year old groups from 12:30 to 2:30. For application forms and further information persons may call Ila Brown 753-6513.

Poplar Spring WMU Has Meet

The Poplar Spring Baptist Church WMU held its regular monthly meeting on Tuesday, April 8, at the church.

Mrs. Muriel Wright, program chairman, was in charge of the mission study on the theme, "The Ministries of Students."

Members attending and assisting with the study were Mesdames Cloia Campbell, Emma Lou Shelby, Bobby Cook, Shirley Werts, Glenda Byerly, Dorothy Simon, Volene Roberts, Ruby Fannin, Louise Short, and Lois Smith.

Paris Road Club Has Luncheon At Steely Home

The Paris Road Homemakers Club met on Tuesday, April 8, at eleven a. m. in the home of Mrs. Alice Steely for a Chinese luncheon. The scripture reading was from John 3:16.

Mrs. Ina Nesbitt had the roll call with each member answering with her favorite thing about spring. Mrs. Topsy Brandon, president, presided at the meeting.

Mrs. Lucille Hart read an article on the latest styles for spring.

An interesting lesson on "Chinese Cooking" was presented by Mrs. Alice Steely. Mrs. Amy Wilson directed a period of recreation.

Others present were Mrs. Ruth Hughes, Mrs. Ola McIntosh, Mrs. Barbara White, Mrs. Mary Alice Gee, Mrs. Lula White, Mrs. Blaine White, Mrs. Della Taylor, and Miss Reble Steely.

The next meeting will be held in the home of Mrs. Amy Wilson at one p. m. on Tuesday, May 13.

Retired Missionaries To India Are Speakers At Pleasant Grove

The general meeting of the South Pleasant Grove United Methodist Women was held on Monday, April 7, at seven p. m. at the church.

Mrs. Clovis Brown, president, presided at the meeting which was opened with prayer by Mrs. Ola May Brandon. Announcement was made of the district meeting, "Time Apart" on Sunday, April 20, from 2:30 to 3:30 p. m. at the South Pleasant Grove church.

Mr. and Mrs. George Garden, retired missionaries from India, were the guest speakers and showed slides of their work in that country.

Following the meeting a social hour was held with refreshments being served by Mrs. Amelia McLeod and Mrs. Ilee Wisehart.

The Methodist Men and other interested persons joined the women for the program and social hour.

The bride-elect attended Calloway County High School. Mr. Tucker is a 1974 graduate of Calloway County High School and is now engaged in farming at his home at Kirksey. He is the grandson of Mrs. C. B. Tucker of Kirksey and Mr. and Mrs. Rue Nix of Murray.

Wedding plans are set for the last of April.

Dear Abby

Fiancee Wants More Than Talk from 80-year-old Suitor

By Abigail Van Buren

DEAR ABBY: My younger brother and his wife are both 23. I guess you could call them "hippies." They live in a large house in the country with a lot of other hippies.

My brother's wife is expecting her first baby in a few months, and she plans to have it at home with the others in the home "helping." Another woman who lives in the home is having a baby next month, and they expect to learn everything they need to know then.

Although both these kids are bright and not ruined by drugs, they won't listen to any "old wives' tales" or to their lab-technician brother-in-law about the dangers of this. My brother's wife is Rh negative.

They say they live only 10 minutes from a hospital, and that's enough.

Can you give me some good arguments for convincing them not to go through with their plan? What do your medical advisers say?

J.

DEAR J.: I agree that this young couple are foolish not to have a prenatal examination to be sure that the mother can anticipate a reasonably normal birth process.

Failure to do this could endanger the lives of both the mother and the new infant during birth. The couple are seriously underestimating the possible problems and complications that could arise if they think that watching one delivery will teach them "everything they need to know."

There is nothing wrong with wanting to have the delivery at home, but they would be well-advised to at least have an experienced midwife present to assist them.

DEAR ABBY: Can a girl get pregnant from kissing with her mouth open?

WORRIED IN CHICAGO

DEAR WORRIED: No. But it's a good beginning.

DEAR ABBY: You once remarked that a woman of 65 was not exactly an ancient relic yet—or words to that effect. Well, that is my age, and that is also my feeling.

I am presently keeping company with a very fine gentleman. He is refined, cultured, lonely—and 80-years-old.

I could be interested in him if I were sure we could have a "real" marriage. My problem is how to find out.

What do you think, Dear Abby? I have heard men in their 70's and 80's boast that they are as "young" as they were 30 years ago, but of course I never knew whether they were telling the truth. Is it possible?

I wouldn't want to marry a man who could do nothing but talk. Don't use my name please. Everybody here knows me.

NO GAMBLER IN NEVADA

DEAR NO: It is possible for a man to be sexually active as long as he lives—no matter how old he is. But the only way you can find out if you can have a "real" marriage with this cultured gentleman is to ask him. And pray that he's not just another "talker."

CONFIDENTIAL TO "THE GRADUATE": Do not send out an "announcement" each time you earn a degree. Your family and close friends will know, and the others might get the idea that you are bragging by degrees.

Everyone has a problem. What's yours? For a personal reply, write to ABBY: Box No. 69700, L.A., Calif. 90069. Enclose stamped, self-addressed envelope, please.

For Abby's new booklet, "What Teen-agers Want to Know," send \$1 to Abigail Van Buren, 132 Lasky Dr., Beverly Hills, Calif. 90212. Please enclose a long, self-addressed, stamped (20¢) envelope.

PERSONALS

GARLAND GUESTS

Mr. and Mrs. Wallace Smith of Memphis, Tenn., Mrs. Mary Sue Hughes and son, Terry, of Ashton, W. Va., and Mr. and Mrs. Pearl McClure of Murray have been the guests of Mr. and Mrs. W. J. Garland.

Remember WIN?

Hold on to your old WIN button, it may be a winner yet.

In terms of economic policy, the WIN button is the Edsel of the Ford Administration. Consider it part of the fleeting Americana of our time, symbol of the prevailing confusion among the nation's economic policy makers.

WIN meant Whip Inflation Now, remember? Should the Ford Administration come up with WIN's recession counterpart, it would read WRN (Whip Recession Now), which is no acronym but, like WIN, might be an anachronism, if we are to believe the AFL-CIO's George Meany.

Mr. Meany thinks it's time to break out WDN buttons. That

means Whip Depression Now.

Columnist Sylvia Porter, chairman of President Ford's volunteer Citizens' Action Committee, officially pronounced the WIN button dead the other day. The committee, set up to serve as cheerleader of the WIN effort, wants to promote ECN (Energy Conservation Now), she said.

Those WIN buttons may be slightly devalued now, but so is the dollar. And those WIN buttons might one day serve as hedges against—well, inflation. They must already have some value as collectors' items. Already they are objects of nostalgia. Remember the good old days back WIN?

—The New Orleans States-Item

Garrott's Galley For Two Years In A Row, Tommy Brown Has A Winner

By M. C. Garrott

Surely, Tommy Brown, the wheel-horse over at the Capri and Cheri Theatres, carries a rabbit's foot in his pocket. How can you be so lucky!

For two years in a row now, Tommy has had the film which won the Academy Award for the best film of the year showing at one or the other of his theatres when the award was made.

Last year, it was "The Sting," and it was seven weeks before its Murray run ended after it won the Academy Award. Then last week, "Godfather II" was showing at the Cine Theatre across from Stewart Stadium when it was named the best film of the year at the annual Academy Awards April 8.

"Godfather II" hadn't been drawing too well until the award was made, Tommy said the other day at the Rotary Club, but since then it has been pulling in full houses. It'll be here throughout April.

Most of the really big films are what is known in the film industry as "Christmas releases," and are given to the big city theatres for their runs before they are made available to picture shows in the smaller towns like Murray. It's usually two to three months before the smaller theatres get them, which, apparently, is all right with tickled Tommy.

Two of the big "disaster" films, "Towering Inferno" and "Airport 1975," already have been shown in Murray, and the third, "Earthquake," is coming in soon, Tommy said.

"Earthquake" and "Towering Inferno," he said, are referred to among the theatre people as "Shake and Bake."

While speaking to the Murray Rotary Club last week, Rev. Richard Walker, who has just resigned as pastor of the First Baptist Church to return to the Amazon River Valley in Brazil as a missionary, looked over the membership and remarked that he recognized at least 15 members of his church present, some of whom he seldom saw in church.

He said it reminded him of the preacher, who, in welcoming visitors one Sunday morning, said, "I wish I could welcome you on behalf of all of our members, but about 30 per cent of them don't know you are here. In fact, about 25 per cent of them don't even know I'm here."

Bible Thought

Now I tell you before it come, that, when it is come to pass, ye may believe that I am he. John 13:19.

You don't have to believe a prophet, but when things come true as He said you really ought to admit it.

Isn't It The Truth

by Carl Riblet Jr.

The principal activity of man, next to breathing, eating, sleeping and mating, is to take pills, to attempt all his life to get rid of his aches with a sugar-coated device that has to be the greatest of inventions; even greater than the invention of the wheel, the device that brought about most of man's headaches.

10 Years Ago

Bids will be let April 23 for the paving of the Brinn-Coles Camp Ground Road beginning at the north end of North 16th Street and extending north for a distance of 3.3 miles.

Dr. Harry Wayne of Murray is attending the Annual Scientific Assembly of the American Academy of General Practice at San Francisco, Calif.

Mr. and Mrs. Raymond Parks of Murray Route Four are celebrating their golden wedding anniversary today.

Miss Jacqueline Sharborough and Albert Britton Burd were married April 12.

New officers of the Murray Faculty Club are Prentice Lassiter, W. P. Russell, and Mrs. Bill Barker.

20 Years Ago

T-Sgt. James C. Wilson recently arrived at Castle Air Force Base, California, for duty with the 93rd Tactical Hospital.

Rev. J. Howard Nichols, minister of the First Christian Church, Murray, will be one of the featured speakers at the district conference of the Christian Women's Fellowship to be held at Kevil.

Speakers at the Bible Institute at New Mt. Carmel Baptist Church will be Norman Culpepper, Tip Willis, and M. M. Hampton.

The 1955 Ladies Night program of the Murray Rotary Club will be held April 9 at Kenlake Hotel. This will also be the 31st anniversary of the Murray Club.

Showing at the Murray Drive In Theatre is "Susan Slept Here" starring Dick Powell and Debbie Reynolds.

LETTERS TO THE EDITOR

Lauds Performance

Dear Editor:

Writing a letter to anyone is almost a first for me but I felt compelled to write giving applause to the fine performance given by the Murray State University Symphony Orchestra in its Spring Concert.

Most outstanding in the concert was the performance of Professor Leo Blair. The program outline referred to Professor Blair as a "Guest Artist" and that is truly the right word to denote him—artist.

The irony is that Murray State University has not awarded him tenure.

Our loss will be most definitely someone else's gain. I wonder how the university will find a replacement in a person of his talent and ability in the classroom.

Having recently moved back to my home town, I feel fortunate in being able to take advantage of the many cultural opportunities that living in a university town offers.

Sincerely,
Ann Kay Barber
Murray, Ky.

Rescue Squad Thanked

(Editor's Note: The following letter was originally sent from Murray Police Chief Brent Manning to Rescue Squad Chief Max Dowdy.)

Mr. Max Dowdy, Chief
Murray Calloway County Fire & Rescue Squad
Rt. 6
Murray, Kentucky 42071

Dear Max:

We wish to take this opportunity to thank you and the members of your Department who assisted us in the search for eight year

old Anna Marie Miserak when she was reported missing on April 9, 1975.

The fact that you so readily came to our aid, tells that your Department is what it stands for in every way. It is wonderful and gratifying to know that your able assistance is only a phone call away when an emergency or difficult situation arises.

Please accept our heartfelt thanks for a job well done! If at anytime we can be of help to you or your Department, please do not hesitate to just call and let us know.

Sincerely,
Murray Police Department
Brent Manning
Chief of Police

Understanding Drug Abuse

Today's Cost Of Drug Abuse

a health column from the

Alcohol, Drug Abuse, and Mental Health Administration
U.S. Department of Health, Education, and Welfare

Though few people have ever met a heroin addict, most know that it costs a goodly sum to maintain a "habit." But how many know that heroin addiction and other drug abuse cost American society \$10 billion each year?

That is a conservative estimate of the annual cost of drug abuse to the Nation arrived at by the Special Action Office for Drug Abuse Prevention, in the Executive Office of the President.

Health costs, including emergency room and general hospital care for drug users, account for almost \$200 million.

Productivity losses of \$1.5 billion are attributed to absenteeism, illness, unemployment, and consequent loss of earnings among addicted

workers. In the criminal justice system, the proportion of police salaries and legal, court, and correctional institution costs devoted to drug-related crime and addict offenders is estimated at \$620 million.

Property losses make up the largest single cost category. Addicts who steal to get money to buy heroin almost invariably dispose of the stolen property through "fences," who pay them, at most, one-third of the property's value. Thus an addict who spends \$50 a day on heroin must steal \$150 worth of goods to pay for a single day's dosage. The annual total, a cost which comes directly out of someone else's pocketbook: \$6.3 billion.

Treatment and rehabilitation

programs, drug traffic control, and Government and private efforts in drug abuse prevention and education cost approximately \$1.1 billion each year.

The financial burden imposed by drug abuse on welfare, insurance, and public health services still cannot be measured.

Nor does an annual social cost in dollars reflect the tragic expense in human suffering which can be attributed to addiction: men and women who are captives of a drug and outcasts in society, their families disrupted and often permanently scarred, and their communities troubled by a disease that strikes as brutally at the spirit as it

does at the purse. Through its nationwide research, training, treatment and education programs, the National Institute on Drug Abuse, a part of the Alcohol, Drug Abuse, and Mental Health Administration, is seeking to develop and put to work new knowledge about addiction and drug abuse and how to prevent them, and to make treatment services available to those persons who have drug problems so that both the human and economic costs can be reduced.

Information on varied aspects of drug abuse may be obtained by writing to the National Clearinghouse for Drug Abuse Information, Box 1908, Rockville, Maryland 20850.

Let's Stay Well

Sterilization Operation Simplified

By F.J.L. Blasingame, M.D.

BLASINGAME

average nursing home.

A simplified surgical procedure for the sterilization of women appears to be growing in popularity, especially in Asia.

Under local anesthesia, a small incision about three-eighths of an inch in length is made in the lower crease of the navel (umbilicus) or just below the crease through the abdominal wall. A slim, telescopic set of cylinders (peritoneoscope), with a light on the tip, is introduced through the incision.

The head of the operating table is lowered so that most of the intestines move into the upper abdomen. Then the surgeon, peering through the instrument, finds the fallopian tubes and pinches a small clamp or ring around each tube, permanently obstructing it so that future eggs

cannot pass down the tubes for fertilization. The procedure has been tested on more than a thousand women at Johns Hopkins University School of Medicine.

The operation has the advantages of leaving practically no scar, giving permanent sterilization if properly done, being quick and relatively safe, and causing a minimal amount of disability. The cost is even less than for other forms of contraceptives, which require supervision on a more or less on-going basis.

According to Dr. R.T. Ravenholt, head of the Office of Population of the United States Agency for International Development, who was quoted in an Associated Press story, this surgical procedure is being

more widely used. He said that he thought 50 million women in Asia -- those who have had four children -- have an intense desire to be sterilized.

This simple operation may grow in popularity in the United States.

Q. Mr. E.R. wants to know whether the children and grandchildren of a homosexual will tend to be homosexuals.

A. Most authorities agree that homosexuality is not hereditary and develops from causes, particularly abnormal family relationships such as a hatred of a father by his son. Hence, a homosexual need have no fear of passing along homosexuality from one generation to another.

Q. Mrs. N.H. asks whether it is safe to put a loved one in the

A. The service in an average nursing home is safe and satisfactory. The scandals associated with a few have damaged the reputation of the industry. Many homes are excellent, and I would not hesitate to have a member of my family in one. Peter Franklin, special assistant to Health, Education, and Welfare Secretary Caspar W. Weinberger and an authority on nursing homes, states that the vast majority are "good." "And about 5 per cent are absolutely deplorable," added Franklin, according to the Medical World News. The choice of a nursing home should be discussed with your physician.

Your Individual Horoscope

Frances Drake

FOR FRIDAY, APRIL 18, 1975

Look in the section in which your birthday comes and find what your outlook is, according to the stars.

ARIES

(Mar. 21 to Apr. 20) Routine activities should run without many hitches, yet there may be certain interruptions in new ventures. Don't be dismayed. With careful study, you can cope.

TAURUS

(Apr. 21 to May 21) Venus favorable. Invent, improvise, build anew where it will help you to take a forward step. Your incentive and ingenuity should be keen.

GEMINI

(May 22 to June 21) In dealings with others, be sure to note their reactions. The right word at the right time could be a big factor in putting over your ideas.

CANCER

(June 22 to July 23) Stellar influences indicate some indecisiveness. Counter by urging yourself into positive action. Handle each situation as it arises.

LEO

(July 24 to Aug. 23) Do not take a position for or against any issue until sure of your ground. Analyze glamorous sounding propositions; they could be misleading in details.

VIRGO

(Aug. 24 to Sept. 23) Extra care needed in financial matters, but do your own thinking about them. Advice from others could lead you off on false trails.

LIBRA

(Sept. 24 to Oct. 23) You may have mixed feelings about some matters, a sense of confusion. Take sufficient time to learn what is expected of you and how best to go about it.

SCORPIO

(Oct. 24 to Nov. 22) Differences of opinion need

not result in rifts. Get together with those concerned and, with calmness and your innate sense of humor, you can straighten out any situation.

SAGITTARIUS

(Nov. 23 to Dec. 21) Fine Jupiter influences encourage present efforts. Especially favored: financial affairs, organizational interests, satisfactory conclusions to complex business negotiations.

CAPRICORN

(Dec. 22 to Jan. 20) Good aspects. Occupational interests, educational pursuits and research especially favored. Some changes in the making are for the best.

AQUARIUS

(Jan. 21 to Feb. 19) You now have a wonderful chance to display your ingenuity and possibly think up a new way to present an old idea which could still be feasible if properly worked out.

PISCES

(Feb. 20 to Mar. 20) Favorable aspects stimulate originality and some chance-taking — if reasonable! But don't go out on the proverbial limb and DO avoid extremism.

YOU BORN TODAY are an extremely ambitious person, endowed with many talents through which to achieve a successful career AND the tenacity needed to reach your goals. In the business and financial worlds, you could become an outstanding leader; would make a shrewd and able lawyer or a brilliant educator; could also succeed in the fields of statesmanship and diplomacy. On the artistic side, music and the theater appeal to you most and, properly trained, you could reach the heights in either. Birthdate of: Clarence Darrow, renowned attorney; Leopold Stokowski, famed symphony conductor.

Murray State Netters Break Losing Streak

By ROSS BOLING

The Murray State Racers tennis team made the long, dusty trek to Jonesboro, Arkansas, yesterday to play Arkansas State but it was worth the trip because the Racers came away with a 7-2 victory, only their third in fifteen outings. Two of those three wins have come at the expense of Arkansas St. The Racers beat them 8-1 earlier this year in Murray.

Perhaps the most difficult part of yesterday's victory was not the match itself, but just getting there.

Jonesboro is located in the arid Eastern Arkansas flatlands, about an hour's drive from Memphis—or about four and a half hours from Murray. Coming and going, the Racers spent more time cramped into the often hectic Commonwealth of Kentucky station wagon which they use on all trips, than on the tennis court.

But it was definitely worth the trip.

Just ask Tom Lie. The freshman from Norway finally broke his long string of hard luck losses and got back into the victory column with a highly impressive 6-1, 6-3 win over ASU's Bruce Hollbrook.

Lie (pronounced "Lee," he prefers it not to be Anglicized), besides being the team's good humor man, is also the team's central irony. A cursory glance at his 3-12 singles record would lend the impression that, putting it mildly, he hasn't been doing too well. The record is a little deceiving though. Four of his defeats have gone to three sets and several others came in close two-setters that often had to be decided by the tie-breaker.

In most of those defeats, and even in his wins, he hasn't been able to attain that ideal level of confidence needed to pull off the big points and win with any consistency.

Yesterday, however, he sensed a hard to describe something that hasn't been present in his game very much before; a sort of newfound confidence that he hopes will be a turning point on which to redirect the remainder of the season. He explained in his lilted Scandinavian brogue: "Instead of thinking of winning so much, I just concentrated on hitting the ball. That's been one of my biggest problems so far—thinking about winning so much that I play too cautiously and fail to hit out on the ball."

One of the other problems, albeit a minor one, has been the frequent kidding received from the other guys on the team. They told him, simply, that if he didn't start winning, he would be deported back to Norway.

"I believed them at first but finally I realized they were kidding. I believed it because it could have been true. I think I will begin to play better now though," he said with a grin.

In other singles action, number one Mike Owen continued his superlative play as he overthrewed Joe Corey, his former high school teammate in Evansville, 6-0, 6-1 in a match that barely exceeded thirty-five minutes. Corey had extended Owen to three sets, before losing in their first encounter in Murray.

Number two Ross Boling easily disposed of Bill Elwood in the number two singles and Del Purcell tuned Jeff Hall 6-4, 6-2

at number four.

Number five Craig Mangold, obviously stale from the long ride, incurred Murray's only singles loss, bowing to Jim Forrester 6-7, 6-3, 6-4 and number six Jim Lukeman closed out singles play by beating Rick Rogers 6-2, 6-3.

In doubles, the number duo of Owen and Boling had to go three sets before finally subduing Corey and Hall 6-1, 5-7, 6-2.

Lie and Purcell beat Elwood and Hollbrook 6-1, 6-4 with comparative ease in the number two doubles but Mangold and Lukeman, after breezing through the first set 6-0 lost the next two and the match, 6-3, 6-3 against Forrester and Rogers.

The Racers will try and improve that win column this Friday and Saturday as Tennessee Tech and East Tennessee invade for conference matches. Murray is considered an underdog in both matches. Play begins at 2:30 p.m. Friday and 9:00 a.m. on Saturday at the university courts.

Run That By Again!

PITTSBURGH (AP) — Cal McLish, pitching coach of the Montreal Expos, was named after a president, an emperor and an Oklahoma Indian chief. His full name: Calvin Coolidge Julius Caesar Tuskahoma McLish.

Tiger Golfers Slip By Marshall County By Two

By LEE STEWART

The Murray high golfers edged the Marshall County Marshals in a match played at the Murray Country Club Wednesday afternoon.

The Tigers surprisingly won only by two strokes as they posted a 151 to the Marshals' 153.

Medalist honors were shared by Murray eighth grader Lynn Sullivan and Marshall County's David Reed as they both posted an even-par 36 in the warm and windy weather.

Other scores for Murray High were Gary Sullivan 37, Howard Boone 38, Tim Philpot 40 and Lee Stewart 42.

Clayton Gets Contract

FOXBORO, Mass. (AP) — The New England Patriots of the National Football League announced Wednesday the signing of five draft choices to multi-year contracts.

Signed after participating in a rookie orientation camp in Florida were wide receiver Lawrence Williams of Texas Tech, running back Don Clayton of Murray State, cornerback Rene Garnett of Idaho State and defensive ends Joe Harvey of Northern Michigan and Matt Kendon of Idaho State.

SHOOTING FOR A BIRD — Lee Stewart of the Murray High golf team shoots for a birdie on the fourth hole Monday at the Murray Country Club. His eight-foot putt fell short and he settled for a par. Watching Stewart is Tiger teammate Tim Philpot.

Houston Coach Knows What To Do But Rockets Can't Do It

By BERT ROSENTHAL
AP Sports Writer

Houston Coach Johnny Egan is well aware that Boston is at its best when its running game is working, but his Rockets haven't yet been able to contain the Celtics' fast-breaking offense in the National Basketball Association playoffs.

"When you get into a running game with that club, you're in trouble," Egan said Wednesday night after the Celtics had out-raced the Rockets 112-100 and gained a 2-0 lead in their best-of-seven Eastern Conference semifinal series.

The running game is what keyed Boston's victory and proved Houston's downfall. The Celtics got it going in the closing minutes of the third quarter, outscoring the Rockets 15-2 for a commanding 89-70 bulge at the end of the period.

"We didn't play our game," said Houston's Rudy Tomjanovich. "You have a tendency to play their game when you're behind. You can't do that against the Celtics."

In the other Eastern Conference semifinal, the Washington Bullets blizzed the Buffalo Braves 111-96 for a 2-1 series lead.

In the Western Conference semifinals, the Chicago Bulls also gained a 2-1 series advantage over Kansas City-Omaha, edging the Kings 93-90, and the Seattle SuperSonics tied their series against Golden State at

1-1, squeaking past the Warriors 100-99.

Dave Cowens paced Boston with 28 points, John Havlicek added 23 and Jo Jo White scored 21. Calvin Murphy led Houston with 30 points and Tomjanovich scored 21.

Bullets 111, Braves 96

Phil Chenier recovered from a woeful first half in which he scored only four points, with 24 points after intermission in sparking Washington's victory over Buffalo. Ironically, it was the first triumph scored at home for either team this season in four regular-season games and three playoff games.

Elvin Hayes topped the Bullets with 30 points and Wes Unseld grabbed 18 rebounds. Bob McAdoo was high for Buffalo with 34 points and 19 rebounds.

Bulls 93, Kings 90

Bob Love scored 31 points and held the Kings' Larry McNeill to four in leading the

Bulls past the Kings.

Tom Boerwinkle had a career-high 24 rebounds for Chicago and Jerry Sloan, switched from guard to forward, connected for 20 points.

Nate Archibald led the Kings with 18 points, but was scoreless in the final period.

Sonics 100, Warriors 99

Spencer Haywood, playing with five personal fouls, and Fred Brown, benched for nearly the entire first quarter, triggered a Seattle comeback that enabled the SuperSonics to overcome a nine-point Golden State lead in the final eight minutes.

Haywood finished with 28 points and 15 rebounds. He scored Seattle's final two points on free throws with 1:08 remaining for a 100-97 lead.

Rick Barry was high for Golden State with 29 points, including a basket with 27 seconds left. But the Warriors couldn't get another shot.

Three ways better

Better Boy

After years of research, plant breeders have developed Better Boy, a tomato that is three ways better: resistant to verticillium, fusarium, and nematodes (VFN), the three main causes of blight in tomato plants.

Since it's also an F₁ Hybrid, it gives you more fruit, tastier fruit, over a longer period of time. Try it and you'll never go back to ordinary tomatoes again.

It's planting time! Plant the hybrid—plant Better Boy.

Dodgers Complete Sweep Of Reds Behind Jim Wynn's Bat

By BRUCE LOWITT
AP Sports Writer

Jimmy Wynn was almost apologetic. It was as if he were saying he just couldn't help himself.

"I was just trying to meet the ball. I wasn't trying for a home run," he insisted. "Seldom do I ever go up there swinging for a home run."

"But it did enter my mind that a grand slam would tie the

Porter Selected For All-Star Game

Steve Porter, a defensive tackle for the Class A State Champion Murray High Tigers, has been selected to play in the 24th annual Kentucky High School East-West All-Star Football game which will be played in Lexington August 2.

Porter, a 6-4, 240-pound senior, has signed a national letter of intent to play at the University of Tennessee. In addition, several other area high school players will also be playing in the contest. They include Phil Todd of Russellville, Marty Clark of Paducah, Tilghman, Keith Buckingham of Hopkinsville, Danny Fisher of Mayfield, Joe Riley of Owensboro, Lester Boyd of Franklin-Simpson and Randy Jones of Mayfield.

game," he added with what amounted to a sheepish grin.

So with the Los Angeles Dodgers trailing Cincinnati 6-2 in the bottom of the seventh inning, he swung — just trying to meet the ball. The next person who met it was sitting somewhere out in the left field stands.

"There was no doubt about it when I hit it," he said of the bases-loaded blast that vaulted the Dodgers into a 6-6 tie.

He had a chance to duplicate his heroics with the bases loaded and one out in the bottom of the ninth — but all he could do this time was foul out weakly.

So Steve Garvey got him off the hook — and gave the Dodgers a 7-6 triumph over the Reds — with a line-drive single to center off Clay Carroll.

In the rest of the National League it was Chicago 9, Philadelphia 3; Montreal 5, Pittsburgh 0; Atlanta 5, Houston 2; St. Louis 3, New York 2; and San Francisco 7, San Diego 1.

Cincinnati had built a 5-0 lead with four of the runs coming in the third inning, two on Tony

Perez' homer off Juan Mari-chal. Ron Cey hit a two-run homer in the fourth to get Los Angeles started on the comeback trail.

"It's a brand-new season," Wynn said, reflecting on the Dodgers' third straight victory over the Reds following their three straight losses in Cincinnati at the start of the season. "It's new for both of us. Tomorrow we start another game and another season."

Cubs 9, Phils 3
The Cubs, recording their fifth straight victory to stay atop the East Division, pummeled Steve Carlton with seven hits for six runs in two innings en route to their romp.

Don Kessinger's triple and singles by Bill Madlock, Jerry Morales, George Mitterwald and Rick Monday started the first-inning carnage, producing the first two runs. Then Manny Trillo pounded a Carlton fastball over the left field wall for three runs and a 5-0 lead.

Expos 5, Pirates 0
Woody Fryman hurled a five-hitter to lead Montreal past his former Pittsburgh teammates.

"You're not going to stop these Pirate hitters but you can slow them down, and that's what Woody did," said Montreal Manager Gene Mauch. "He'll pitch against Pittsburgh next week in Montreal."

Braves 5, Astros 2
Buzz Capra's six-hitter, Dusty Baker's homer and Larvell Blanks' two-run single led Atlanta past the Astros.

Bob Watson spoiled Capra's shutout bid with a two-run homer in the ninth. Capra zipped through the game in a speedy hour and 50 minutes. "My wife had a meatloaf in the stove and I had to get home," he grinned.

Cards 3, Mets 2
Second baseman Felix Millan's error paved the way to three runs in the fifth inning that enabled the Cards to edge the Mets.

St. Louis had been checked on two singles by Jon Matlack before Ken Reitz led off the fifth with a single and moved to second when Millan made a wide throw to first with Keith Hernandez' grounder. Ed Brinkman singled for one run,

Hernandez appeared to be picked off second but scored when Bud Harrelson made a wild throw in the rundown, then Lou Brock singled for what proved to be the winning run.

Giants 7, Padres 1
Bobby Murcer's two-run triple highlighted the five-run fifth inning that swept San Francisco past the Padres, whose only run off John D'Acquisto came on Mike Ivie's seventh-inning homer.

Steve Ontiveros' double and Dave Rader's single started the Giants' outburst against Dan Spillner. D'Acquisto walked to load the bases, Von Joshua hit a sacrifice fly, Murcer tripled to make it 3-0 and two more runs came in when reliever Rich Folkers threw a wild pitch and catcher Randy Hundley threw wildly back to the plate. Murcer also singled for a run in the eighth.

MSU On Probation, Okay For Playoffs

NASHVILLE, TN—(AP) Murray State University has been reprimanded by the Ohio Valley Conference for violating an OVC regulation, conference commissioner Art Guepe said today.

Guepe said a number of Murray State baseball players and track men had been allowed to work in concession stands at football and basketball games. Guepe said it was a violation of OVC rules.

Murray's baseball team and track team have been placed on probation for one year.

However, it will not prevent neither team from participating in NCAA Post-Season Playoffs. Murray's baseball team presently is 33-5 on the season and ranked 12th in the nation. A fine of \$500, which was also imposed with the probation, was dropped.

Pacers End Series By Kicking Spurs 115-100

By MIKE HARRIS
AP Sports Writer

INDIANAPOLIS (AP) — Winning playoff games should be old hat to the three-time American Basketball Association champion Indiana Pacers, but Wednesday night's 115-100 victory over the San Antonio Spurs was something to savor.

This was to be a rebuilding year for Indiana after a housecleaning of aging veterans. And, after finishing a distant third in the ABA West, the experts didn't give the young Pacers much of a chance against the menacing second-place Spurs.

But Indiana, with two rookies starting, beat the Spurs, the first two games in San Antonio,

grabbed a 3-0 series lead and finally finished off the visitors in six games.

Now Indiana is faced with the prospect of an even tougher series against Denver, the team with the best record in professional basketball this season. They'll begin Sunday at Denver, where the Nuggets are 40-2 this season.

The other semifinal series between Kentucky and St. Louis gets under way Monday night in Louisville.

The main reasons the Pacers will be able to make the trip to Denver are a pair of players with styles as different as night and day — bullish George McGinnis and glass-smooth Billy Knight.

McGinnis, a 6-foot-8 veteran forward and an ABA superstar, did what was expected of him in the crucial game. He scored 32 points, pulled down 23 rebounds and handed out a career record 14 assists.

Knight, a 6-7 rookie forward, showed his constant cool with 33 points and 11 rebounds. And 14 of those points came in the second period when the Pacers turned a one-point deficit into a 14-point lead that never shrank below 10 the rest of the way.

As the champagne corks and beer tabs popped and the shouts of glee echoed in their spacious Market Square Arena dressing room, the Pacers enjoyed their victory as though they themselves hadn't been confident it would happen.

"They double-teamed and even triple-teamed George (McGinnis)," the slim, good looking Knight said with a happy smile. "So, when they do that, George looks for me."

"He gets the assists, anyway," Knight said with a laugh.

Pacers' Coach Bobby Leonard said, "McGinnis was fantastic. He had the greatest season I've ever seen as a basketball player."

"I thrive on pressure games like this one. We sure didn't want to go back to San Antonio."

Good Things Must Come In Threes For 'Hawks

By FRANK BROWN
AP Sports Writer

Good things, like the periods in a hockey game, come in threes. And Chicago Coach Billy Reay knows his Black Hawks will have to put three good periods together tonight to earn a good thing like a National Hockey League playoff victory over the Buffalo Sabres.

The Sabres will be after their third consecutive triumph after scoring three goals in the first period of both games in the Stanley Cup quarter-final series. And they'll look to their sizzling three-some of Rick Martin, Gil Perreault and Reng Robert to provide the scoring punch.

"I hope we can come out stronger in the first period and play three good periods instead of two," said Reay as the series shifted to Chicago for the third and fourth games of the best-of-seven playoff set. Both clubs agreed the Hawks had

played far better than the Sabres in the closing two thirds of Tuesday night's 3-1 Buffalo triumph.

"We played a very poor game," said Rick Dudley, who scored two of Buffalo's first-period goals. "We can't keep laying back the next two games in Chicago. The Hawks can come back on their home ice. They beat Boston the same way in the opening round — they got behind the eight-ball and came back to win the series."

Elsewhere in the National Hockey League playoffs tonight, the Montreal Canadiens and Vancouver Canucks will break their 1-1 series tie at Vancouver; the defending champion Philadelphia Flyers charge into Maple Leaf Gardens with a 2-0 lead over Toronto, and the Pittsburgh Penguins take their 2-0 series lead to the New York Islanders' home ice.

Killebrew Alive And Well, Aaron Slumping

By KEN RAPPOPORT
AP Sports Writer

Harmon Killebrew is alive and well in Kansas City. Hank Aaron seems to have taken a turn for the worse in Milwaukee.

Killebrew showed Wednesday night that he can still hit them out with a home run that helped his new team beat the Oakland A's 6-2.

Aaron, another slugger who's wearing a different baseball uniform this season, continued to wear a collar as well and as a result, the Brewers lost a 2-0 decision to the Baltimore Orioles.

Killebrew, who hit 559 home runs in a distinctive career with the Minnesota Twins, smashed No. 560 off Vida Blue to get the Royals started Wednesday night. The "Killer" then was in the middle of a three-run rally in the fourth inning, scoring one of the Kansas City runs after leading off with a walk.

Killebrew's homer gave him his third extra-base hit of the season so far in seven games.

"I hit that ball real good," Killebrew said of his second-inning homer that tied the score at 1-1. "And I got two bases on balls. I'm a base on balls hitter. The home run tied the game so it meant something; so many of them don't. It was my first homer for Kansas City — and that meant something too."

By contrast, Aaron has been having his problems adjusting to the American League after collecting a record 733 homers in his golden National League career.

Aaron was hitless in two official appearances against Mike Cuellar Wednesday night and had his no-hit string extended to 12 by the crafty Baltimore left-hander. The one-time Atlanta Braves great has had but two hits in 19 at-bats with the Brewers, none of them homers.

In other American League action, the Boston Red Sox whipped the New York Yankees 4-2; the Minnesota Twins routed the California Angels 10-4 and the Texas Rangers blasted the Chicago White Sox 14-4.

Along with Killebrew's hitting, the Royals also had Nelson Briles' pitching. Briles scattered five hits in one of his best performances with the Royals.

Briles allowed only two hits after the third inning. Sal Bando's double in the sixth and

Claude Washington's homer in the eighth.

Amos Otis singled for the Royals with two out in the third, stole second and scored on John Mayberry's single, putting the Royals ahead 2-1. Kansas City broke the game open in the fourth with a three-run outburst against Blue, 2-1.

Killebrew led off the inning with a walk and George Brett and Cookie Rojas followed with singles. Jim Wohlford's sacrifice fly scored Killebrew, and Brett ran home on a squeeze bunt by Buck Martinez. Frank White singled, scoring Rojas. Hal McRae's bases-loaded sacrifice fly scored the Royals' final run in the sixth.

Bando homered for Oakland in the first. It was his second of the year.

Orlows 2, Brewers 0

Mike Cuellar pitched a three-hitter, Don Baylor singled in the only run he needed and Elrod Hendricks hit a home run to lead Baltimore over Milwaukee.

Cuellar limited the Brewers to Pedro Garcia's third-inning single, Charlie Moore's double in the eighth and George Scott's ninth-inning single, struck out five batters and walked four. Ken Singleton walked in the sixth inning and was bunted to second by Paul Blair before Baylor lashed his run-scoring single to center off Jim Slaton, 1-0. Hendricks hit his homer, his first hit of the season, in the seventh.

Red Sox 4, Yankees 2
Boston's Rick Wise scattered nine hits and struck out five Yankees en route to his first complete game since April 13, 1974.

All the Boston runs off Pat Dobson and reliever Larry Gura came on homers, a two-run shot by Carl Yastrzemski and a pair of solo jobs by rookie Fred Lynn. Walt Williams homered for the Yankees.

Wise was hampered last year by a sore shoulder and a broken finger. "The shoulder's still not 100 per cent. It's still a little weak," said Wise. "This is the culmination of a lot of hard work, starting last year."

Twins 10, Angels 4

Two-run doubles by Bobby Darwin, Craig Kusick and Larry Hise helped Minnesota snap a five-game losing streak. Minnesota's Bert Blyleven survived a shaky start and scattered 10 hits to win his second game in as many decisions.

Rangers 14, White Sox
Willie Davis and Jeff Bur-

roughs hit home runs and drove in three runs apiece, leading Texas over Chicago. Chicago starter Wilbur Wood was touched for three unearned runs, two driven across on Toby Harrah's double, in the first inning. He then was chased in a five-run Texas third. It was his third straight loss.

Jazz Festival To Be Held At Murray State

The second annual Murray State University Jazz Festival will be held this Friday and Saturday, April 18 and 19, at the university. Featured artists for this year's festival are Jamey Aebersold and The Judy Roberts Quartet.

Aebersold is a nationally known alto and tenor jazz

saxophonist and a noted authority on jazz improvisation. The Judy Roberts Quartet is a young group from Chicago and has played concerts throughout the United States. The group consists of piano, guitar, bass and drums.

Many high school bands as well as the MSU Jazz Band are

scheduled to participate in the clinic this year.

Concerts are scheduled from 3:30 to 5 p. m. Friday in Lovett Auditorium and throughout the afternoon Saturday. Improvisation sessions will be held Saturday afternoon from 1:30 to 2:30.

The Judy Roberts Quartet

and Jamey Aebersold will be featured in a concert Saturday evening at 7:30 p. m. in the auditorium. Admission will be \$1 for students and \$1.75 for adults.

For additional information, contact Raymond L. Conklin, jazz program coordinator, Murray State University.

Judy Roberts

Son's leg cut off by father

TAUSTE, Spain — Jose Aznar saw his 21-year-old son fall into a mill shaft here and crush his leg under the wheel. The father freed his son by amputating his right leg with a pocketknife, and took him to a hospital where he was listed in grave condition.

"WHY I MAKE THE CHALLENGE"

I think it is essential to the American system of government, particularly in a time of crisis in public confidence in that government, that views and opinions of candidates be presented clearly and squarely BEFORE THEY ARE ELECTED for judgment and decision by those who are governed - the voter and taxpayer.

In my campaign, I have not been hesitant in stating my stand on any issue, regardless of the controversial nature of it, because I feel the people have a right to know in advance of the election.

If you have a question on any issue, I invite you to visit with me or phone me at 247-8699 in the daytime or 247-4904 at night. If I cannot be reached, please leave your number and I will promptly return it.

Norita Cassity Gets Scholarship

Norita Ann Cassity, daughter of Mr. and Mrs. Albert Cassity, Jr., Murray Route Three, was presented with a scholarship of \$400 at the meeting of the Kentucky Association of Future Homemakers of America and

Norita Ann Cassity

Home Economics Teachers of Kentucky held at Louisville. The scholarship was one of eleven \$400 scholarships and one \$500 scholarship given at the 30th annual state meeting. The scholarships are made possible by contributions from 740 chapters in Kentucky and are awarded to outstanding FHA members who plan to major in home economics in Kentucky colleges or universities.

Miss Cassity, senior at Calloway County High School, has served as historian and first vice-president of her school chapter, regional historian, state historian, and served on several regional and state committees. She also is president of the Calloway Beta Club and is on the annual Laker staff. She plans to attend Murray State University following graduation.

Deaths and Funerals

Jimmy Manning Dies At Hospital With Funeral Friday

Jimmy Manning of 603 1/2 North 18th Street, Murray, died Wednesday at 4:20 p.m. at the Murray-Calloway County Hospital. He was 61 years old and was preceded in death by his wife, Mrs. Cologne Jones Manning, in February 1955.

Mr. Manning was a member of the Coldwater Baptist Church, Woodmen of the World, and Murray Moose Lodge. Born February 14, 1913, in Stewart County, Tenn., he was the son of the late William M. Manning and Nora Page Manning.

Survivors are two sisters Mrs. Bill (Louise) Peery and Miss Magdelene Manning, both of Murray Route One; several nieces and nephews.

Funeral services will be held Friday at 2:30 p.m. at the chapel of the Max Churchill Funeral Home with Rev. E. R. Taylor and Rev. Jerry Lee officiating.

Nephews will serve as pallbearers and burial will be in the Murray City Cemetery.

Friends may call at the funeral home after three p.m. today (Thursday).

Earnest Lamb Dies Wednesday; Rites To Be On Friday

Earnest Lamb of 1336 Adams Circle, Mayfield, died Wednesday at 3:20 p.m. at the Community Hospital, Mayfield. He was 89 years of age.

The deceased was born February 13, 1886, in Marshall County and was the son of the late Lee Lamb and Emma Fields Lamb.

Mr. Lamb is survived by his wife, Mrs. Ludean Lamb, Mayfield; two daughters, Mrs. Gaylen McReynolds of Murray and Mrs. Harris Work of Dickson, Tenn.; two sons, Bonnie E. Lamb of Mayfield Route Two and Noble Lamb of Mayfield Route One; eleven grandchildren; thirteen great grandchildren.

The funeral will be held Friday at three p.m. at the chapel of the Byrn Funeral Home, Mayfield, with Bro. Don Cooper officiating. Burial will be in the Highland Park Cemetery, Mayfield. Friends may call at the funeral home.

Proposal Would Deduct From Teachers Pay For KEA Lobby

LOUISVILLE, Ky. (AP) — Delegates to the Kentucky Education Association (KEA) convention were to consider a proposal today to deduct contributions for political activity from members' paychecks.

Delegates of the 27,000-member teachers' association were told Wednesday that only by influencing Kentucky politicians will they improve the quality of education.

Dexter Meyer, state committee chairman of the KEA's

political action arm, outlined the checkoff proposal.

It calls for having \$8 a year — in addition to regular KEA dues — deducted from paychecks of KEA members to finance activities of the lobby group, the Kentucky Educators Public Affairs Council (KE-PAC).

The plan calls for \$7 of the deduction to go to KEPAC and \$1 to go to the National Education Association's lobby group. The \$8 would be refunded to

any KEA member who requested it, Meyer said, if the request for a refund reached KEA by Jan. 1 each year.

Meyer, of Lexington, told more than 350 educators that Kentucky ranks 49th among the states in spending on public education. He said that Mississippi — now 50th — will leave Kentucky in last place this September.

The answer to low funding, Meyer said, rests with the state legislature and the governor's office.

GNP Expected To Show Biggest Drop Since Recordkeeping Began

WASHINGTON (AP) — The gross national product, the broadest measure of the nation's economic performance, declined at a record rate in the first quarter of the year, government statistics are expected to show.

James L. Pate, assistant commerce secretary for economic affairs, is predicting that the GNP declined at more than a 10 per cent annual rate in the January-March period. Other administration sources say the decline could be closer to 12 per cent.

The Commerce Department is scheduled to release its first

quarter report on GNP this afternoon.

Either way, the decline would be the worst since the Commerce Department began keeping quarterly records on the GNP in 1947, and it was clear evidence of the depth of the nation's current recession.

The previous worst quarterly drop was a 9.2 per cent rate of decline in the first three months of 1958. The GNP fell at a 9 per cent rate in the fourth quarter of last year and was down 2.2 per cent for the year.

The GNP measures the total output of goods and services in the economy both in constant dollars and in current dollars. As such, the GNP also measures the inflation rate, and Pate said this index was expected to be much improved over the 14.4 per cent inflation rate of the fourth quarter of last year.

Government economists say the first-quarter economic per-

formance was the worst of the current recession and that the economy will begin the slow process of improvement by mid-year.

Economy. . .

(Continued from Page 1)

rebates, as Congress hoped, since the level of consumer debt is already so high. He said more likely people will pay of part of their debts with the rebate, or put the money in the bank.

However, there is one positive side to the effect of the tax package on the economy: the psychological effect.

Renfro said even though it is late, people knew it was coming and it restored their confidence that the government was taking some action to deal with the economic situation.

"People began to feel that the worst is over," Renfro said. Although gas bills will probably go up in the future, the price of oil is likely to remain fairly stable, Renfro said.

"They've named a petunia after me!"

It's called Red Baron and it's a real ace. A rich, bright, free-flowering red. Sits right up and flies right after rainstorms. Plant them now and enjoy them all summer.

Mrs. Ruby Krider To Be Honored At Program, Reception Saturday

The Readers Theatre program honoring Ruby Krider who will be retiring at the end of this semester will be held at University School Auditorium on Saturday, April 19, at 7:30 p.m.

The event is being sponsored by speech students of Mrs. Krider. Tickets for the Readers Theatre are \$2.00 and student tickets are \$1.50, which can be purchased at the door or by calling the office of Dr. Ray

Grace Church Revival Starts

Grace Baptist Church, 617 South Ninth Street, Murray, will hold its spring revival beginning Monday, April 21, through Saturday, April 26.

Bro. Leon Winchester, pastor of Sinking Fork Baptist Church in Hopkinsville, will be the evangelist.

Leland Peeler, Music Director of Grace Baptist Church, will be leading the music with Dwane Jones as organist and Terry Downey as pianist.

Services will begin each evening at 7:30 p.m. and the nursery will be open.

The church bus will run each night. Anyone needing to ride the bus may call Owen Farris at 753-7153.

Bro. R. J. Burpoe, pastor, and members of Grace Baptist Church cordially invite everyone to attend these worship services.

Jane Galyen Speaks Before Nursing Group

Jane Galyen, R.N., Director of In Service and Continuing Education at Murray-Calloway County Hospital and Convalescent Division was the featured speaker at the April 9th meeting of the Western Kentucky Nurses Group held at the Murray Holiday Inn. Mrs. Galyen presented a program on the progress of a Nursing Audit Committee.

The Western Kentucky Nurses Group was formed several years ago by Directors of Nursing from towns throughout Western Kentucky. Attending the meeting were nurses from Madisonville, Hopkinsville, Mayfield, Greenville, Glasgow, and Murray.

Moffield in Wrather Hall.

Following the theatre program, a reception in honor of Mrs. Krider will be held in Ordway Hall.

Mrs. Krider has been an assistant professor of speech at Murray State University for the past nine years. Prior to that she taught for many years at Grove High School, Paris, Tenn. She earned her Bachelor's degree at Murray State and her Master's degree at Northwestern University, Evanston, Ill. She said after her retirement she planned to write a book on creative dramatics and to do workshops in creative drama and interpretation.

She has one daughter, Mrs. E. R. (Nancy) Corley of Hendersonville, Tenn., and three grandchildren granddaughters, Jennifer, Rachel, and Leisel. Her husband, Clem Krider, is a retired architect.
